

How to Start a Gold Buying Business Guide Book Product Sheet

Introduction

Gemark Alloy Refining Corporation has been a powerhouse in the refining industry for almost thirty years. New methods of reclaiming and refining precious metals have originated with Gemark.

Our guide book was written to help anyone learn how to buy gold and make a profit, even if you have no experience at all. Over the years we have seen every material possible. The guide is also a great way to freshen up the skills you already have, and it's perfect for training new employees.

The guidebook is available in our online store at www.gemark.com. A print and electronic version on disk is included in the deluxe gold buying kit or can be purchased individually.

The guide covers all of the areas that the gold industry does not like to talk about. It gets very specific in how to deal with various situations.

Pricing

Print Version (includes disk) - \$50.00
Electronic Version on Disk - \$30.00
Downloadable Version - \$15.00

If you have any questions about the guide please call 1-888-873-3463.
